I am a pre-final year B.Sc. Computer Science student , with a strong passion for programming and technology. Proficient in Java, C++, C, and Python, I am keen on applying my skills to solve real-world problems and explore emerging trends in computer science. I am dedicated to continuous learning and thrive in collaborative environments that foster innovation. My goal is to strengthen my technical expertise and contribute to impactful projects in the tech industry.

EDUCATION

KPR College of Arts and Science

Bachelor of Science in Computer Science.

Currently in 2nd Year

2023 – 2026

TECHNICAL SKILLS

Programming : Python

JAVA

C

C++

SKILLS

- Leadership & Communication: Strong leadership and communication
- Problem-Solving: Critical thinking and analysis
- Collaboration: Teamwork and independence
- Presentation: Clear and effective presentations

PROJECTS & ACHIEVEMENTS

- Participated in various coding contests and hackathons
- Worked on multiple academic projects, demonstrating technical proficiency and teamwork
- Developed solutions to enhance problem-solving capabilities

CERTIFICATIONS

- Participated in Bankquist 2024 at Sri Ramakrishna College, showcasing problem-solving and analytical skills in a competitive environment.
- Java Programming Certification
- C++ Programming Certification

Extracurricular Activities

1. Community Engagement
2. Sports
3. Student Organization Participation
4. Volunteer Experience
